

# **GARRICK** RETRACTABLE RATCHET TIE-DOWN

Offers ease & efficiency  
when strapping  
your cargo.

Our 50mm x 6M is the  
longest retractable  
in the market – all others  
are 25% less in length!

(1) Simply hook and restrain your cargo. Once you are happy with the position of the strap, ratchet to tighten.

(2) Now here comes the easy part! When unloading, loosen the ratchet and the webbing will automatically start to retract into the housing. No tangles, No messy straps in your way!
